

Press release

IX International Exhibition LABComplex. Analytics. Laboratory. Biotechnologies. HI-TECH.

From 18 to 20 October 2016 in EC KyivExpoPlaza (Kyiv, 2-B, Salyutna Str.) will be held **IX International Exhibition LABComplex. Analytics. Laboratory. Biotechnologies. HI-TECH** - the main event of the laboratory industry, within which is presented whole range of equipment, technologies and specialized furniture, supplies as well as range of services for creation, equipping, modernization of all types and kinds of laboratories of various industries, scientific-research field and medicine.

Organizers – National Academy of Sciences of Ukraine and LMT Company.

The event will be held **under support** of the Verkhovna Rada Committees of Ukraine, the Cabinet of Ministers of Ukraine, Ministry of Economic Development and Trade of Ukraine, Ministry of Agrarian Policy and Food of Ukraine, Ministry of Health of Ukraine, Ministry of Ecology and Natural Resources of Ukraine, Ministry of Energy and Coal Industry of Ukraine, Ministry of Education and Science of Ukraine, State Service of Ukraine on Food Safety and Consumer Protection, State Administration of Ukraine on Medicinal products and drugs control, National Academy of Agrarian Sciences of Ukraine, field-oriented associations and unions.

Official Partner - Mixlab. **Partners and participants** - ShimUkraine, Ukrorgsintez, ALSI LTD, Soc Trade, Elvatech, NETZSCH, Nabertherm, EXAKT, Macrolab LTD, Retsch Technology, CEM Corporation, Waters Corporation, VWR, Analitek, Analytik Jena AG, Expert, CHEMLABORREACTIV, Amed, ALT Ukraine, Vector-Best-Ukraine, Labix, TESPRO, BioTestMed, BCM Ukraine, Intermedica, NPF Simesta VAAL, MK KVERTIMED-Ukraine, Ramintek, Ukrbio, NPL Granum, UKR DIAGNOSTIKA, BIO-RAD Laboratories, Diaproph-MED.

The event has traditionally become an important platform for exchange of experience, professional dialogue and establishment of business contacts among experts of laboratory industry – business companies, managers and specialists of relevant institutions, control and inspection bodies, enterprises of various branches of the industry and research sector.

Thematic of the Exhibition will cover all aspects of complex support of laboratories in food and agrarian sector, pharmaceutical industry, veterinary medicine, laboratory medicine, in such spheres as water treatment, standardization and metrology, ecology, science and education.

For specialists exhibitors will present novelties of analytical equipment, laboratory instrumentation, laboratory equipment, mobile laboratories, laboratory furniture and ware, tools and supplies, various reactive chemicals, indicators, test systems and reagents, personal protective equipment, clothing, and integrated solutions required for laboratories of any profile and more.

Specialists at stands of exhibitors will be able to learn about the latest analytical equipment, laboratory instrumentation, laboratory equipment, mobile laboratories, laboratory furniture and utensils, tools and consumables, reagents, indicators, test-systems and reagents, personal protective equipment, protective clothing, and integrated solutions required for laboratories of any profile.

120 companies from 12 countries will participate in the Exhibition.

The largest companies will present their equipment and services as AGROHIMLABORANT, Stasenکو and Partners, Alfa Klass, ATOMKOMPLEXPrylad, Best Diagnostics, Biola, Bioline Ukraine, BMT UA, VEGA Medica, Venta Lab, VOLES, Galatea, Gemoplast, GRUPOTEST, DIAMEB, DiaSysDiagnostic Systems, DKTB TEP, Envirco Corporation, ECM UKRAINE, IKF Service Plus, INVESTLAB, KOLIZEY 21, LABVITA, MedBioAliance, Medcosviss, Medical

laboratory Medlab, Medtech, Organization of Medical Business, Promo-Med, Reagent, Roche Ukraine, SANIMED INTERNATIONAL IMPEX, Sente-Lab, Spectran, Spetztekhnostka, STEKLOPRIBOR, Thermoengineering, Terra-Med, Technowagy, Technoprolab, HEMA, EximCargoTrade, Elvatech, Erba Lachema, YUVIS and many others.

This year **13 new companies** will take part in the Exhibition. Among new participants: Miele, ROMER LABS Ukraine, Skyline Software (1C), Pamir SERVICE, ProBioVet, SERVICELAB, Tec Engineering Ltd., DNIPRO-MTO RPC LLC, Polix Group, INTERSYSTEM, SNIBE, ANALYT SYSTEMS UKRAINE, BioLabTech, LTD.

Format of the Exhibition brings together the largest specialized exhibition, which has no analogues in Ukraine, as well as the informative scientific-practical program.

Within the exhibition will be held **30 scientific-practical events and 16 master classes. 250 experts** will be the speakers.

Specialists will be able to take part in conferences, seminars and master classes in the following scientific-practical programs: **Days of food industry and agricultural sector, Days of pharmaceutical industry, Days of Veterinary Medicine, Days of Laboratory Medicine.**

In addition, a rich program includes scientific-practical events for professionals in different industries, the research sphere.

Among the top events of the Exhibition - **Ukrainian laboratory school**, which includes actual master classes on operating equipment with opportunity of personal testing, qualified expert advices, new techniques and research methods.

Organizers of scientific-practical events will be Ukrainian laboratory of quality and safety of Agricultural products of the National University of Life and Environmental Sciences of Ukraine, Standard Technologies Development Company, Institute of Postgraduate Education of the National University of Food Technologies, Odessa National Academy of Food Technologies, National University of Life and Environmental Sciences of Ukraine, Pharmaceutical industry review magazine, State training center Good Manufacturing/Distribution Practice, Vialek Group of companies, UKRMEDSERT, State Enterprise Ukrainian Scientific Pharmacopoeial Center for Quality of Medicines, Association of clinical chemistry and laboratory medicine, P. L. Shupyk National Medical Academy of Postgraduate Education of Ukraine, Laboratory and metrology services of NAMS, Inter-Institute Reference Laboratory Centre of NAMS, State Institution National Scientific Centre Institute of Cardiology named after academician M.D. Strazhesko of NAMS of Ukraine, TCC Euroacademia, National Agency for Accreditation of Ukraine, State Service of Ukraine on Food Safety and Consumer Protection, State Scientific Research Institute for laboratory diagnostics and veterinary-sanitary inspection, State Scientific Control Institute of Biotechnology and strains of microorganisms, State Enterprise Ukrmetrteststandart, National Academy of Sciences of Ukraine, Ukrainian Association of water supply and sanitation sector Ukrvodokanalekologiya.

Business program will also include seminars of participating companies - XEMA, Vector-Best-Ukraine, Ukrbio, BCM Ukraine.
